

# Wrights to Ethiopia

P.O. Box 191 Springfield, MO 65801

## The Ministry is Growing

All Ministry programs are running and growing.

One of the blessings of serving on the foreign field is seeing nationals stepping up and serving the Lord in many capacities. The ministries are growing and many people are following Christ in their walk in faith. Our biggest outreach, the sports ministries, are connecting with young men who are gaining interest in coming to Bethel Baptist and enrolling in our Discipleship classes. Along with the sports outreach and discipleship classes, Bethels youth program is gaining momentum with over 100 young people coming on Friday nights to engage with one another, games, worship and hearing the Gospel message. We are thankful for the people at Bethel Baptist Church stepping up and leading many of these outreaches. Please continue to pray as our church is looking for land to build a permanent church building and sports outreach fields to the people in the community. Costs are going up, but we know God will open the doors to what He wants the church to have. We want to thank you all for your support and prayers.

### Pray for more Laborers

Based on Matthew 9:38, we are asking you to pray with us. Set your alarm for a reminder at 9:38 am and pm to pray along.

Would you pray about serving in Ethiopia?
