## God is on the Move...

As we go through the week here in Ethiopia, we are amazed at all the avenues God has opened for the Gospel message to be shared. From the church services to the soccer field, we have been given many opportunities to show God's love through unique ways.

One of our newest and most needed is our Manna kids' program. We currently feed spiritually and physically some of the poorest kids in the community. This not only allows us to minister to them, but has opened up many conversations in the community. We have been approached with the question, "Are you doing this for God to love you more? Because in Ethiopia people do things for the church, but the church does nothing for the ones in need." This has opened the door for us to share the Gospel message with so many. The phrase we use many times here in Ethiopia is "Cas ba Cas" which means little by little. Little by little His Light is being illuminated.

### Land Project

Over the past few years we have been raising funds and saving toward the purchase of land for Bethel church. Please continue to pray with us as we continue to raise and save for this project.

### Sports Outreach

Please continue to pray for our sports outreach. Each week we have the opportunity to share the Gospel with young men in the community through this ministry.
